

**Unity of Farmington Hills  
is dedicated to unveiling  
the Christ Spirit dwelling  
in every person.**

We share our quest for spiritual growth in an environment of love, acceptance, and dedication to the principles of practical Christianity.

We accept you just the way you are: single, married, coupled, single again, rich, poor, no church background, whatever your life experience.

We believe that attending church should be an event the entire family anticipates with joy. Our services are relaxed and informal with upbeat music. Our Sunday lessons focus on practical solutions for your everyday life. All programs are open to everyone.

Unity encourages every person to realize we are unique expressions of God. Living from that awareness transforms our lives and the world.

Unity emphasizes the importance of applying spiritual principals in our daily lives. When we take personal responsibility to choose life affirming thoughts and words, we experience a more fulfilling and abundant life.

Join us as we travel our spiritual path and share fun and growth along the way.
